

Part 1: Declaration of Conformity Statement

CooperVision Manufacturing Limited, South Point, Hamble, Southampton, SO31 4RF, United Kingdom, registered in England under Company no. 2737396, whose registered office address is Delta Park, Concorde Way, Segensworth North, Fareham, PO15 5RL, United Kingdom, declares that all base products that constitute each of the generic device groups as listed below in part 2, also including those products listed under the device sub-category: Ancillary products, conform to the Essential Requirements as laid down in Annex I of the European Medical Devices Directive 93/42/EEC, as amended.

Devices are commercialised under the trade name 'CooperVision'.

The Quality System employed by CooperVision Manufacturing Limited also complies with the provisions of Annex II of the European Medical Devices Directive 93/42/EEC.

CooperVision Manufacturing Limited declares conformity to Annex II laid down in the European Medical Devices Directive 93/42/EEC, as amended.

This declaration is supported by EC Certificate G1 103773 0002 Rev. 00 issued by TÜV SÜD Product Service GmbH with address Ridlerstraße 65, 80339 München, Germany, who have been contracted as the Notified Body (identification number 0123) of CooperVision Manufacturing Limited and who have assessed the CooperVision Manufacturing Limited Quality Systems and compliance with the requirements of the European Medical Devices Directive 93/42/EEC. EC Certificate G1 103773 0002 Rev. 00 is valid until 31st May 2021.

CooperVision Manufacturing Limited is the manufacturer of all listed devices and is exclusively responsible for this Declaration of Conformity.

References to all applied standards (including harmonised standards) can be found in QMS documents CHT02966, CHT02967, CHT02968 as applicable.

European Representative: CooperVision CL Kft. With address: Gorcsev Ivan Street 7. Building C. 2360 Gyal, Hungary.

Device sub-category: Soft (hydrophilic) contact lens products for the correction of ametropia:

- **Generic device group:** comfilcon A soft contact lens products for (continuous) extended wear
- **Generic device group:** fanfilcon A soft contact lens products for daily wear
- **Generic device group:** methafilcon A soft contact lens products for extended wear
- **Generic device group:** ocufilcon B soft contact lens products for daily disposable wear
- **Generic device group:** ocufilcon D soft contact lens products for daily disposable wear
- **Generic device group:** ocufilcon D soft contact lens products for extended wear
- **Generic device group:** omafilcon A soft contact lens products for daily disposable wear
- **Generic device group:** omafilcon B soft contact lens products for daily wear
- **Generic device group:** riofilcon A soft contact lens products for daily disposable wear
- **Generic device group:** somofilcon A soft contact lens products for daily disposable wear
- **Generic device group:** somofilcon A soft contact lens products for daily wear
- **Generic device group:** stenfilcon A soft contact lens products for daily disposable wear

Device sub-category: Soft (hydrophilic) contact lens products for control of myopia:

- **Generic device group:** omafilcon A soft contact lens products for daily disposable wear

Device sub-category: Soft contact lens care products:

- **Generic device group:** Multipurpose soft contact lens care solutions

Device sub-category: Rigid gas permeable contact lens care products:

- **Generic device group:** Multipurpose rigid gas permeable contact lens care solutions

Device sub-category: Ancillary products:

- Comfort drops
- Preservative free saline

**Part 2: Product Schedule (base products and corresponding product codes)**

CE 0123 marking is to be affixed to the following devices, and all CE Marked branded variants, which are designed and manufactured by CooperVision Manufacturing Limited.

All contact lens products listed are Class IIa Medical Devices (Rule 5, Annex IX, Directive 93/42/EEC).

All contact lens care products listed are Class IIb Medical Devices (Rule 15, Annex IX, Directive 93/42/EEC).

Ancillary products listed are class IIb medical devices Rule 15, Annex IX, Directive 93/42/EEC).
